

Cherhill 100 Club Social – raising funds for the Church Village Hall

Cherhill 100 Club members attended their annual social on the evening of Friday 9th January, enjoying a free celebratory drink, copious amounts of delicious buffet food and table top quizzes.

This was also a great opportunity to catch up with friends and other villagers for a chat, as well as being able to witness the Annual draw where a total of £240 was shared between six lucky individuals.

Patrick, our Treasurer, thanked those who contributed food and helped in making the evening a great success, and last but far from least, all the Club members who have helped to raise £600 each for the Church and Village Hall over the past year, both of which are key assets in making Cherhill a proper and successful community.
